

# MDF Problem? No Problem.

**BGI Ltd**  
Bio Global Industries

**MDF WASTE INTO FUEL INTO APPROVED  
BOILER  
MEANS ZERO WASTE FEES + FREE HEAT  
& RHI PAYEMENTS**

BGI's Waste Wood Boilers offer an environmentally sound solution to your costly MDF problem.

If you pay to dispose of your MDF then we can solve your problem with our simple, easy to follow process.

Our Biokompakt® Austrian made specialist wood boilers can burn your waste within DECC approved emissions limits (certificated) and we can provide you with a way to use the heat to dry other products or heat your premises.

We offer fully funded solutions, at no cost to you, or you could buy it and keep the revenue from the Renewable Heat Incentive.
